Gary Chapman teams with Ross Campbell, to help parents speak their child's love language. Each child, like an adult, expresses and receives love best through one of five different communication styles. This truth can work against parents who speak different love languages than their children. However, when properly prepared, moms and dads can use this information to help them meet their children's deepest emotional needs. You can learn to speak your child's love language--fluently. Discover your child's primary language: - Quality Time - Words of Affirmation - Gifts - Acts of Service - Physical Touch
