Naturally Curious: A Photographic Field Guide and Month-By-Month Journey Through the Fields, Woods, and Marshes of New England Mary Holland

2011 National Outdoor Book Award for Nature Guidebook Are you ready for a black fly bite to get graphic, for a barred owl's call to take on new meaning, and for the life cycle of the eastern newt to suddenly seem complex, beautiful, and intricately bound to the subtle patterns of mysterious underwater landscapes and damp forest floors? Naturalist Mary Holland's new book *Naturally Curious* promises a walk in the woods will never be the same. Holland leads you through the New England seasons out-of-doors—through the sun, rain, and snow; along roadsides and wetlands; above underground burrows and under treetop nesting sites. With just a turn of the page you'll suddenly know more about the creatures that frequent your backyard or the pond you visit every summer than you ever thought possible. *Naturally Curious* perfectly melds practical field guide with informal nature literature, providing you the remarkable opportunity to sit back, relax, and learn something fascinating about the natural world around you.
