Sleep: It's the number one issue that plagues parents from the moment they bring their baby home from the hospital. Even the lucky ones, whose babies are naturally good sleepers, wonder when their baby will finally sleep through the night. Tracy Hogg's practical program will help you overcome your baby's sleep problems and works with infants from as young as one day old.

Breastfeeding: Feeding your newborn is an emotional and challenging topic facing new parents. With this easy-to-follow program, you'll learn how to ensure your baby is latched on correctly; what to do if you have a low milk supply; how to move from breast to bottle; and when to start transitioning to solid foods.

Potty-Training: The questions are endless when parents are faced with the sometimes daunting prospect of potty training. But these tips will tell you exactly how to get started, how to transition your child into a potty routine -- and what to do if it doesn't go to plan.

Filled with direct, reassuring advice, *Top Tips from the Baby Whisperer* is the essential guide for new parents!
