## **The Critical Response to John Cheever (Critical Responses in Arts and Letters)** Francis J. Bosha

Bosha collects major, representative criticism of John Cheever's fiction, and his posthumously published Letters and Journals, from the earliest reviews of 1943, through to the present. The volume provides a clear and comprehensive assessment of Cheever's critical reputation both during his lifetime, as each of his books was published and reviewed, and retrospectively, by academics and literary historians who have sought to place Cheever's work in a larger literary context. In addition to several new essays written specifically for this volume, this book publishes, for the first time, a long interview which John Cheever gave less than a year before his death. This interview, according to Prof. Robert G. Collins, who conducted it, is almost certainly the last to be publicly heard. The book begins with a critical introductory essay that traces the dominant themes and patterns in Cheever criticism and comments on the critical reception of his work over the last five decades. A chronology highlights the chief events in Cheever's life and career. The chapters that follow are arranged chronologically, with each chapter devoted to one of Cheever's works. Within each chapter are selections of criticism. The book concludes with a bibliography and index.
