The Pearl of the Orient: A Novel Bahram Ameli

Set amid the ill-fated metropolis of Saigon during the year before its infamous fall in 1975, *The Pearl of the Orient* reveals the surprising splendor of Vietnamese culture as witnessed by an aloof Canadian diplomat, Xavier Richmont, who is struggling to overcome his own private tragedy.

But his growing attraction to a feisty Eurasian fashion designer, Tissa, sets Xavier on a collision course with his conservative political views when the US-backed regime uses despicable tactics in an effort to capture Tissa's brother, a known radical.

Xavier enlists the help of his old friend, a French journalist, and together the two search diligently for clues that will help Tissa find her missing family members. However, their inquiries inadvertently lead them to uncover a secret plot between the United States and the Soviet Union to let North Vietnam overtake Saigon, ending the war once and for all. If Graham Greene's *The Quiet American* alluded to the beginning of our involvement in Vietnam, *The Pearl of the Orient* shows us how we rid ourselves of it.

Inspired by appallingly true facts, author and former diplomat Bahram Ameli's political thriller sifts through the smokescreen of the 1970s to tell a stirring story that brings history and the human spirit to life in vibrant detail.

From reader reviews:

Yolanda Osuna:

In other case, little people like to read book The Pearl of the Orient: A Novel. You can choose the best book if you want reading a book. Given that we know about how is important some sort of book The Pearl of the Orient: A Novel. You can add knowledge and of course you can around the world by a book. Absolutely right, since from book you can realize everything! From your country till foreign or abroad you may be known. About simple issue until wonderful thing you can know that. In this era, we can open a book or even searching by internet product. It is called e-book. You need to use it when you feel bored stiff to go to the library. Let's examine.

Joyce Morgan:

Now a day people that Living in the era just where everything reachable by connect with the internet and the resources within it can be true or not require people to be aware of each details they get. How many people to be smart in obtaining any information nowadays? Of course the solution is reading a book. Reading a book can help folks out of this uncertainty Information specially this The Pearl of the Orient: A Novel book since this book offers you rich data and knowledge. Of course the knowledge in this book hundred pct guarantees there is no doubt in it as you know.

Patrick Stokes:

Reading a book tends to be new life style on this era globalization. With reading you can get a lot of information that could give you benefit in your life. Along with book everyone in this world can share their idea. Publications can also inspire a lot of people. A great deal of author can inspire their particular reader with their story or even their experience. Not only situation that share in the publications. But also they write about the knowledge about something that you need example of this. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book which exist now. The authors on this planet always try to improve their talent in writing, they also doing some investigation before they write for their book. One of them is this The Pearl of the Orient: A Novel.

Jason Valladares:

This The Pearl of the Orient: A Novel is great guide for you because the content and that is full of information for you who always deal with world and have to make decision every minute. This particular book reveal it info accurately using great plan word or we can claim no rambling sentences inside. So if you are read this hurriedly you can have whole data in it. Doesn't mean it only provides straight forward sentences but tricky core information with attractive delivering sentences. Having The Pearl of the Orient: A Novel in your hand like keeping the world in your arm, information in it is not ridiculous just one. We can say that no guide that offer you world throughout ten or fifteen minute right but this reserve already do that. So , it is good reading book. Hi Mr. and Mrs. hectic do you still doubt which?
