Tools & Techniques of Employee Benefit and Retirement Planning, 11th ed. (Tools and Techniques of Employee Benefit and Retirement Planning) Stephan R. Leimberg, J.D., CLU, John J. McFadden

This book is intended to serve as an easily accessible, up-to-date guide to creative employee benefit and retirement planning for use by financial planners, insurance agents, accountants, attorneys, and other financial services professionals, as well as company managers, personnel departments, and CFP, law, and graduate school students. It covers almost every popular employee business arrangement used in business today. Although special consideration is given to employee benefit arrangements as applied to smaller, closely held businesses, most of the benefits described here are used by both small and large companies, and the same tax and other regulatory rules apply to both.
