Charles Dickens

Oliver Twist Charles Dickens

“There are books of which the backs and covers are by far the best parts.”

--- Charles Dickens, *Oliver Twist*

“**The Adventures of Oliver Twist,**” published serially in “Bentley's Miscellany,” 1837-39, and in book form in 1838, was the second of Dickens's novels. It lacks the exuberance of “*Pickwick*,” and is more limited in its scenes and characters than any other novel he wrote, excepting “*Hard Times*” and “*Great Expectations*.” But the description of the workhouse, its inmates and governors, is done in Dickens's best style, and was a frontal attack on the Poor Law administration of the time. Bumble, indeed, has passed into common use as the typical workhouse official of the least satisfactory sort. No less powerful than the picture of Oliver's wretched childhood is the description of the thieves' kitchen, presided over by Fagin. Bill Sikes and the Artful Dodger are household words for criminals, and the character of Fagin is drawn with wonderful skill in this terrible view of the underworld of London.
