A Dictionary of Modern English Usage: The Classic First Edition (Oxford World's Classics) H. W. Fowler, David Crystal

No book had more influence on twentieth-century writers of English than Henry Fowler's *Dictionary of Modern English Usage*. It rapidly became the standard work of reference for the correct use of English in terms of choice of words, grammar, and style. Much loved for his firm opinions, passion, and dry humor, Fowler has stood the test of time and is still considered by many to be the best arbiter of good practice. Now Oxford is bringing back the original long-out-of-print first edition of this beloved work, enhanced with a new introduction by one of today's leading experts on the language, David Crystal. Drawing on a wealth of entertaining examples, Crystal offers an insightful reassessment Fowler's reputation and his place in the history of linguistic thought. Most important, Crystal examines nearly 300 of Fowler's entries in detail, offering a modern perspective on them, and showing how English has changed since the 1920s. This exciting paperback edition of one of the classic works of English reference will delight everyone interested in language.

About the Series: For over 100 years **Oxford World's Classics** has made available the broadest spectrum of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, voluminous notes to clarify the text, up-to-date bibliographies for further study, and much more.
