## **All About Crystals** Connie Islin

Examining objects such as numbers and crystals, as well as the principles of palmistry and the inextricable connection between love and magi, this series examines the traditional and modern forms of magical ideas and explains how they can be applied to things as diverse as health, compatibility between couples, and predicting the future. Beginners and professionals alike will learn skills to make themselves healthier, happier, and more spiritual, and will become aware of the great power of these ideas.
