Admit it, at one time or another you've had the fantasy of having sex with a naughty school girl or with the hottest teacher on campus. Or maybe you've heard rumors about the gym teacher and the office receptionist having sex in the janitor's closet. Or the one about the young teacher that seduces her students. Well so have the teachers, students and even the principal at Hancock High, better known to some as Hard Cock High. Some of them are even guilty of participating in these forbidden acts. Take Daniel for instance. While working as principal, he just can't seem to control his sexual urges. Students and teachers alike turn him on and he wants to teach them all a long, hard lesson. He has a problem though; The more sex he has the more he wants. Then there's Sierra. She knows that students have been known to have crushes on their teachers, but she never thought she'd find herself having fantasies about one of her students. She knows that to indulge herself would be wrong, but when the opportunity presents itself, will she take it and do the unthinkable? When you walk into Hard Cock High you might be surprised to find out whose teaching whom. The topic may be taboo, but this book is guaranteed to get you hot and bothered, in the best possible way.
