**Introduction to Business Statistics (with CD-ROM) (Available Titles CengageNOW)** Ronald M. Weiers  
Highly praised for its clarity and great examples, Weiers' text takes an informal, student-oriented approach to presenting fundamental statistical concepts. Non-technical terminology and outstanding illustrations explain statistical concepts presented in the context of contemporary applications and student experience. Aware that many business students are intimidated by this course, Weiers provides numerous learning aids and interesting applications drawn from real-world experience common to many students.
