Joseph F. Healey

Race, Ethnicity, Gender, and Class: The Sociology of Group Conflict and Change (Sage Masters in Modern Social Thought) Joseph F. Healey

Written in a clear, consistent style, the **Third Edition** of the best-selling text **Race, Ethnicity, Gender, and Class** by Joseph Healey eloquently describes and, at times, simply serves as a conduit for, a broad spectrum of experiences related to race, ethnicity, gender, and class. Featuring in-depth analyses of diversity within groups, as well as the multiple interactions *between* them, Joseph Healey addresses the *experiences* of women, and many other minority groups, throughout the text. "Narrative Portraits" are integrated into each chapter and provide students with first person accounts and observations from a wide variety of people. At the end of each chapter, "Current Debates" present important issues through the ideas and writings of prominent scholars. In addition, Photo Essays are included at the end of many chapters, visually reinforcing key concepts in a dramatic and memorable fashion.

Recommended for courses on race and ethnic relations; minorities; race, ethnicity, and gender; and race, class, and gender.
