**Byron Sierra:**

Reading a publication tends to be new life style in this era globalization. With studying you can get a lot of information which will give you benefit in your life. With book everyone in this world can easily share their idea. Guides can also inspire a lot of people. Plenty of author can inspire their particular reader with their story or maybe their experience. Not only the storyplot that share in the guides. But also they write about the knowledge about something that you need example of this. How to get the good score toefl, or how to teach children, there are many kinds of book that you can get now. The authors these days always try to improve their ability in writing, they also doing some research before they write to the book. One of them is this [(When Children Die: Improving Palliative and End-of-Life Care for Children and Their Families)] [Author: National Academy of Sciences] published on (January, 2003).

**Michael Hill:**
