The Emerging U.S. Health Care System

The first comprehensive assessment of the new managed care and its potential for addressing the health delivery problems facing the nation.

--Stephen M. Shortell, A. C. Buehler, Distinguished Professor of Health Services Management and professor of organization behavior, J. L. Kellogg Graduate School of Management, Northwestern University

A distinguished group of sixteen health care experts identify and assess the challenges and opportunities raised by the U.S.'s emerging competitive health care system. This timely book looks at the managed forms of care that are thriving in today's competitive bottom line environment. A thoughtful commentary on the major trends in health care, this book provides a much needed resource for health care providers and government policymakers.
