Handbook of School Counseling (Counseling and Counselor Education)

Handbook of School Counseling (Counseling and Counselor Education)

The mission of this forty-eight chapter *Handbook* is to provide a comprehensive reference source that integrates counseling theory, research and practice into one volume. It is designed to meet the needs of entry-level practitioners from their initial placement in schools through their first three to five years of practice. It will also be of interest to experienced school counselors, counselor educators, school researchers, and counseling representatives within state and local governments.
