This is the second volume in a three-volume set of lectionary resources, providing preachers and worship leaders of all denominations a host of written material for worship and reflection. Designed to complement WJK's acclaimed *Texts for Preaching*, this book weaves together a rich tapestry of quotations, meditations, poems, and prayers. With material extracted from both classic and contemporary spiritual writings, *Resources for Preaching and Worship* complements the lectionary readings for Sundays and important festival days in the church's year. Biblical and thematic indexes are included.
