The Death of King Arthur (Penguin Classics) Anonymous

Recounting the final days of Arthur, this thirteenth-century French version of the Camelot legend, written by an unknown author, is set in a world of fading chivalric glory. It depicts the Round Table diminished in strength after the Quest for the Holy Grail, and with its integrity threatened by the weakness of Arthur's own knights. Whispers of Queen Guinevere's infidelity with his beloved comrade-at-arms Sir Lancelot profoundly distress the trusting King, leaving him no match for the machinations of the treacherous Sir Mordred. The human tragedy of *The Death of King Arthur* so impressed Malory that he built his own Arthurian legend on this view of the court - a view that profoundly influenced the English conception of the 'great' King.

For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.
