## **Citar, templar, mandar (Spanish Edition) Pepe Malasombra**

Durante los ultimos 25 anos un buen numero de poetas, narradores, dramaturgos y ensayistas han enriquecido y transformado nuestra tradicion literaria. Se trata de escritores originales y activos, cuyas obras -parte fundamental del panorama de las letras mexicanas- merecen ser mucho mejor leidas y conocidas. La colección La Centena, en sus vertientes de narrativa, poesía, teatro y ensayo, está dedicada a recuperar esas obras significativas y a valorar a sus autores. Pepe Malasombra es conocido por sus crónicas taurinoliterarias y de catálogo de lo inasequible que publica por casi tres lustros -desde 1989 hasta la muerte de David Silveti- en impresos nacionales y extranjeros; por sus libros misceláneos: En el umbral del miedo (1993) y Misterios del señor de negro (2001); de investigación histórica: Mano a mano en Bucareli (2001) y Los nuestros (2002); además de creación y de antólogo de cuentos: La voz primigenia (1997) y La puerta de los sustos (2003). Citar, templar, se convierte en una obra de culto para el lector que gusta de los secretos de la fiesta brava.
