Lost Avalon (A Finding Nolan Novel Book 1) K.S. Thomas

Fame, fortune and a future paved with rock 'n roll gold - Blaise Nolan has it all. With his brooding good looks, haunting voice and troubled lyrics of a soul gone lost, it's no wonder his band Finding Nolan has been climbing the music charts with back to back hits. Only Blaise didn't wind up brooding, haunted and lost by accident...

Avalon Jennison has been the girl next door since she was five. The best friend since she was eight. The band manager since she was sixteen, and the keeper of his secrets always. Ava's been there every step of the way, helping Blaise live his dreams while keeping his nightmares at bay. But the years of putting Blaise's needs above her own are about to be over.

Except, Blaise has one secret even Ava doesn't know...and it could be the thing that breaks her heart completely, or finally puts it back together.

All Finding Nolan Novels are stand alone stories. However, due to recurring characters and the way each story builds on the one before it, they are best read in order.
