**Medieval Medicine: The Art of Healing, from Head to Toe (Praeger Series on the Middle Ages)** Luke E. Demaitre

This unique examination of medieval medicine as detailed in physician's manuals of the period reveals a more sophisticated approach to the medical arts than expected for the time.

- Includes translations, available for the first time in English, of original comments and illustrations by physicians of the day
- Contains a plethora of additional resources for learning, including 20 black-and-white plates with full references, 5 tables, a glossary of unusual words, a chronology and list of the consulted sources, and an extensive bibliography
- Reveals how medieval medical manuals influenced literary, historical, and medical study
