## **The Most Dangerous Book in the World: 9/11 as Mass Ritual** S. K. Bain

In this shocking exposé, investigative researcher and author S. K. Bain explores the inconsistencies, coincidences, and historical precedents of the events of September 11, 2001, and reconstructs an occult-driven script for a Global Luciferian MegaRitual. Bain argues forcefully that the framework for the entire event was a psychological warfare campaign built upon a deadly foundation of black magick and high technology. The book details a view of the sinister nature of the defining event of the 21st century and opens a window into the vast scope of the machinery of oppression that the author asserts has been constructed around us.
