Finer Femininity A Sunshiny Disposition: Living a Femininely Joyful Catholic Life Mrs. Leane G. VanderPutten

Finer Femininity is a small publication compiled to inspire Catholic women in their vocations. It consists of uplifting articles from authors with traditional values, many of them from priests, written over 50 years ago. These anecdotes are timeless but, with the fast-paced “progress” of today's world, the pearls within the articles are rarely meditated upon. This little magazine offers Catholic womankind support and inspiration as they travel that oftentimes lonely road....the narrow road to heaven. The thoughts within the pages will enlighten us to regard the frequently monotonous path of our “daily duties” as the beautiful road to sanctity. Feminine souls need this kind of information to continue to “fight the good fight” in a world that has opposing values and seldom offers any kind of support to these courageous women. Inside the pages you will find inspiration for your roles as single women, as wives and as mothers. In between the thought-provoking articles, the pages are sprinkled with pictures, quotes and maybe even a recipe or two.
