In the Dark Places of Wisdom

Peter Kingsley

In the Dark Places of Wisdom Peter Kingsley

A set of ancient inscriptions on marble found 40 years ago in southern Italy, recording details so bewildering that scholars have kept silent about them ... Sensational new information about a group of ancient philosophers who were so intensely practical that, two and a half thousand years ago, they shaped our existence and the world we live in ... These are just two ingredients of this extraordinary book, which uncovers an astonishing reality right at the origins of the Western world. Written by a highly-acclaimed contemporary historian and expert in the field, it provides dramatic new evidence about one of the most important of ancient philosophers, Parmenides-and revolutionizes our un-derstanding of the history of religion, of the origins of philosophy, and of Western culture as a whole.

From reader reviews:

Mark Fetter:

Now a day people who Living in the era everywhere everything reachable by connect with the internet and the resources inside it can be true or not call for people to be aware of each data they get. How individuals to be smart in having any information nowadays? Of course the answer then is reading a book. Examining a book can help men and women out of this uncertainty Information particularly this In the Dark Places of Wisdom book because book offers you rich facts and knowledge. Of course the knowledge in this book hundred per cent guarantees there is no doubt in it you may already know.

Ismael Black:

The actual book In the Dark Places of Wisdom will bring you to the new experience of reading any book. The author style to clarify the idea is very unique. In the event you try to find new book you just read, this book very acceptable to you. The book In the Dark Places of Wisdom is much recommended to you you just read. You can also get the e-book from official web site, so you can easier to read the book.

Blair Gant:

Playing with family in the park, coming to see the marine world or hanging out with good friends is thing that usually you have done when you have spare time, after that why you don't try issue that really opposite from that. A single activity that make you not feeling tired but still relaxing, trilling like on roller coaster you are ride on and with addition of knowledge. Even you love In the Dark Places of Wisdom, you are able to enjoy both. It is good combination right, you still need to miss it? What kind of hang-out type is it? Oh can occur its mind hangout guys. What? Still don't understand it, oh come on its referred to as reading friends.

Verna Hibbard:

As a university student exactly feel bored for you to reading. If their teacher expected them to go to the library or even make summary for some guide, they are complained. Just little students that has reading's heart or real their leisure activity. They just do what the professor want, like asked to go to the library. They go to presently there but nothing reading seriously. Any students feel that reading through is not important, boring as well as can't see colorful pics on there. Yeah, it is to get complicated. Book is very important for you personally. As we know that on this era, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore , this In the Dark Places of Wisdom can make you really feel more interested to read.
