\*COURTESY OF TWOBEDARS BOOKS\*\*\* This new edition is in fact a new translation from the latest and best Greek text published by the United Bible Societies in 1966 and recognised by scholars of all denominations as the best source available. Naturally some considerable parts of the former translation re-appear, but that because no change was needed that would improve upon their wording. However, the reader may rest assured that every single Greek word was read and considered.
