**Phonics They Use: Words for Reading and Writing (6th Edition) (Making Words Series)** Patricia M. Cunningham

Written by an outstanding scholar, *Phonics They Use*, seamlessly weaves together the complex and varied strategic approaches needed to help students develop reading and writing skills and offers a collection of strategies and hands-on activities that provide a framework for teaching phonics. Building on previous editions, it focuses on how students use phonics to read and write, not just how much phonics a student knows. Each chapter is filled with developmentally appropriate activities that help students with fluency, rhyme-based decoding, spelling, and more. This edition includes three chapters on assessment, more suggestions for adapting activities for English language learners, and new phonics interventions for older struggling readers.

New to the Sixth Edition:

- **A new chapters on Assessment and Differentiation of Early Reading Concepts (Chapter 5), Fluency Assessment and Interventions (Chapter 8), and Phonics Assessment, Coaching and Interventions (Chapter 13)**
- **More suggestions *For English Language Learners*** show how teachers have adapted the *Phonics They Use* activities to meet the needs of their students who are learning English.
- **Phonics interventions for older struggling readers focus on activities such as “Brand Name Phonics,” “The Wheel,” and “Mystery Word Match” to help older students learn basic phonics skills.**
- **Updated research, materials, and technology (Chapter 14)** provides the latest findings on phonics and its impact on reading and writing.
