The Rhetoric of Racism Revisited: Reparations or Separation? Mark Lawrence McPhail

In this updated and significantly expanded edition of his *The Rhetoric of Racism*, Mark Lawrence McPhail responds to subsequent critiques and advances in scholarship. Like the earlier text, *Revisited* looks at the rhetorical dynamics of racism?how, in addition to social and material structures and institutions, language can be a cause and facilitator of racism. Revised introductions and four new chapters add thorough discussions of essentialism and racial difference; theories of complicity and coherence, including critical applications; the theory of racism as a problem of psychiatry; and perspectives on contemporary racial discourse.
