?Alone among American Presidents, it is possible to imagine Lincoln, grown up in a different milieu, becoming a distinguished writer of a not merely political kind.?

--Edmund Wilson

Ranging from finely honed legal argument to wry and some sometimes savage humor to private correspondence and political rhetoric of unsurpassed grandeur, the writings collected in this volume are at once a literary testament of the greatest writer ever to occupy the White House and a documentary history of America in Abraham Lincoln?s time. They record Lincoln?s campaigns for public office; the evolution of his stand against slavery; his electrifying debates with Stephen Douglas; his conduct of the Civil War; and the great public utterances of his presidency, including the Emancipation Proclamation and the Gettysburg Address.
