Fun Facts: Nature Terry O'brien

Did you know? The oceans contain enough salt to cover all the continents to a depth of nearly 500 feet An elephants trunk has no bones but 40,000 muscles A comets tail always points away from the sun Honey is the only food that will never spoil. These and many such informative and fascinating facts fill up the pages of Terry Obriens Fun Facts: Nature. The book covers a wide range of information related to nature and its many mysteries, which is presented lucidly in order to make learning a fun exercise for children. With edutainment as its motto, this collection hopes to lay the foundation for creativity, problem-solving and the quest for knowledge in the minds of young readers.
