Key Concepts in Governance (SAGE Key Concepts series) Mark Bevir
Key Concepts in Governance provides a clear introduction to the technical concepts and policies of contemporary governance through short definitional essays. Each entry features a snapshot definition of the concept, a contextualization of the concept, an overview of relevant debates, and a guide to further reading. The book also includes a substantial introductory chapter which gives an overview of governance studies as a whole, orientating and guiding the reader around the issues that the concepts address.
