This book contains articles that cover the Mass, the sacraments, and the seasons of the Church's year. The articles are concise, two-page units that are grouped by topic. Whether read from beginning to end or simply selected by a particular topic, these articles assist with teaching and learning about the liturgy. Discussion questions and helpful quotations from a variety of sources are available for the individual reader to ponder, and can help to engage the classroom or a study group in a lively dialogue.
