My Brilliant Career (Penguin Classics)

Miles Franklin

My Brilliant Career (Penguin Classics) Miles Franklin

The fierce, irreverent novel of aspiration and rebellion that is both a cornerstone of Australian literature and a feminist classic

Miles Franklin began the candid, passionate, and contrary *My Brilliant Career* when she was only sixteen, intending it to be the Australian answer to *Jane Eyre*. But the book she produced-a thinly veiled autobiographical novel about a young girl hungering for life and love in the outback-so scandalized her country upon its appearance in 1901 that she insisted it not be published again until ten years after her death.
