This is the perfect resource for hospital and community-based settings! The 11th Edition is a must-have reference that delivers client focused care planning in a clear and concise manner. And, a handy, removable laminated "Nurse's Pocket Minder", featuring the latest NANDA conference nursing diagnoses, is also included. It contains new and revised diagnoses from 17th NANDA Conference (2007-2008). Sized to fit in a pocket and use in a clinical setting, this book comes in easy-to-use, quick-reference format. It offers coverage of Concept Mapping and includes icons for interventions - cultural, collaborative, community/home care, diagnostic studies, pediatric/geriatric/lifespan, medications. It offers expanded content on the nursing process and an index with over 400 diseases/disorders. It also includes actions/interventions uniquely organized by priority with selected rationales.
