## **Wayfarers (Nicholas and Helena Roerich: The Spiritual Journey of Two Great Artists and Peacemakers)** Ruth Abrams Drayer

Ruth Drayer provides a factual account of the two Russian visionaries who believed beauty could solve the world's problems and unify humanity. Partners in all things, charismatic Nicholas (1874-1947) was an internationally acclaimed artist, author, daring explorer, conservationist, archeologist, humanitarian and peacemaker, while his wife, Helena (1879 - 1955), was a teacher and healer as well as the inspired co-author of the Agni Yoga series. This is the first book in English to interweave the Agni Yoga writings and the Roerichs' relationship with their spiritual teacher in with their fascinating travels, disclosing the long-hidden story of the Roerichs' connection with Tibetan Buddhism. Though it may read like a tale, Drayer takes us on the real-life adventures of the Roerichs as they travel to the most remote and dangerous regions of India, China, Mongolia, the Gobi, Tibet and Siberia. We bear witness as the couple flees the Bolshevik Revolution of 1917 Russia and as they arrive in New York City in the fall of 1920 where they later founded the first school that teaches all of the arts under one roof. We experience their trials and tribulations as the Roerichs trek through the following years.
