**Called to Witness: Doing Missional Theology (The Gospel and Our Culture Series (GOCS))** Darrell L. Guder

Since the publication of the groundbreaking volume *Missional Church* in 1998, there has been wide-ranging engagement with the missional church theme. In this book Darrell Guder builds on that ongoing discussion by considering basic theological issues that must be addressed if the church is to be faithful to its calling to serve God as Christ's witnessing people.

Guder argues that there are major consequences for every classical theological *locus* if the fundamental claims of the missional church discussion are acknowledged. In *Called to Witness* Guder delves into these consequences, saying that we need to keep doing missional theology until it is possible to leave off the "missional scaffolding" because, after all, *mission* defines the very essence and calling of the church.
