Gregory F. Michno, Susan J. Michno

Forgotten Fights: Little-known Raids and Skirmishes on the Frontier, 1823 to 1890 Gregory F. Michno, Susan J. Michno

In this unique study, Gregory and Susan Michno chronicle more than three hundred lesser-known but significant conflicts of the western Indian Wars, describing not only skirmishes between Indians and the United States Army, but also Indian raids on civilian settlers and travelers. By shifting attention away from the larger and more famous battles, the authors bring into sharper focus the small-scale confrontations that defined the Indian Wars.

Forgotten Fights presents vivid accounts of these rarely examined conflicts, giving readers and researchers enlightening glimpses into the unpredictable lives of the immigrants, homesteaders, soldiers, and Indians of the American frontier. An excellent reference book in its own right, it also serves as a supplement to Gregory F. Michno's *Encyclopedia of Indian Wars: western Battles and Skirmishes, 1850-1890* (Mountain Press, 2003). Historical and modern photographs enhance the text, while detailed maps pinpoint battle sites.
