The Rights of Patients, Third Edition: The authoritative ACLU guide to patient rights (ACLU Handbook)

Professor George J. Annas J.D. M.P.H.

The Rights of Patients, Third Edition: The authoritative ACLU guide to patient rights (ACLU Handbook) Professor George J. Annas J.D. M.P.H.
The authoritative ACLU guide to patient rights in a completely revised edition

Now in its third edition, *The Rights of Patients* has long been considered the definitive guide to understanding the legal and ethical issues patients face in our often mismanaged healthcare system. Offering fully documented exposition and explanation of the rights of patients from birth to death, this concise reference covers topics such as informed consent, emergency treatment, refusing treatment, human experimentation, privacy and confidentiality, patient safety, and medical malpractice.

George J. Annas's fully revised and updated edition also offers specific advice to individuals on serving as patient advocates for friends and family members and focuses on helping patients and their advocates preserve their human rights, as well as their independence and dignity, while undergoing medical care. The volume is an invaluable resource not only for patients and their families, but also for physicians, hospital administrators, medical and nursing students, and other healthcare workers. Among the helpful appendixes Annas includes are a discussion of internet resources and a pregnant patient's bill of rights.
