He doesn't let anyone inside his heart, but she managed to break it anyway.

For Mallet, fighting comes first, friends seconds, and flings a distant third. Yet somehow Alexa Riley dominated his thoughts, distracted him, drove him damn crazy.

It all started out as a game, though, and all games eventually come to an end. Right?

So why can't he stay away? Why can't he keep his hands off of her? He ought to keep his eyes on his goals - getting stronger, being the best, working and fighting until he's ready to drop so that he can finally beat his older brother in a match that's been a long time coming.

Good things can never last. Not for him. Grudges and the mistakes of his past follow him, taunt him, and would come between them given half a chance. But Riley worms her way back in. He's invincible in the ring but he's helpless against her.

Some fights, losing is winning.

Some fights, the results are inevitable. Predetermined. Destiny.

And all fights have to come to a violent end.

This is the second part in a four-part series. All four parts are now available!
