AMELIA IS A VERY BIG BUNNY. At recess, the other bunnies tell her that her feet are too long for hopscotch, they say she's too tall to jump rope, and of course, no one will get on the seesaw with her. Amelia is a very big and lonely bunny. But when a new very small bunny named Susannah arrives in the classroom, something amazing happens. Readers will delight as they watch Amelia transform from a shy bunny into a confident friend. From author-illustrator Marisabina Russo comes an endearing tale that celebrates the power of friendship and the fun of standing out in a crowd. With lively accessible artwork, here is the perfect book for every little bunny who worries about fitting in.
