Pairing the most literal English translation available with an illuminating in-text exposition of each verse in the Bible, this outstanding resource will help strengthen your grasp on God's Word. By comparing the precise "NASB" with the magnified sentence structure of the "Amplified Bible", readers are better able to appreciate the meaning of the scriptures as understood by their audience in the original languages. Known for its word-for-word literal accuracy, the "New American Standard Bible", updated edition, is the number 1 choice for in-depth inductive Bible study. And through its unique use of synonyms and definitions, the "Amplified Bible" both explains and expands the meaning of words in the text by placing amplification in parentheses and brackets after key words or phrases. Through multiple expressions, greater emphasis is given to the divine message as reflected in the original Greek and Hebrew.
