# Analytical Reading Inventory with Readers Passages (8th Edition)

Mary Lynn Woods, Alden J. Moe

**Analytical Reading Inventory with Readers Passages (8th Edition)** Mary Lynn Woods, Alden J. Moe  
*Analytical Reading Inventory* is a thorough diagnostic reading inventory with clear step-by-step instructions for test administration. This instrument can be used to measure the reading progress of typical, remedial, and gifted readers. The *Analytical Reading Inventory* comes with a Readers' Passages booklet and two CDs. One CD walks listeners through a case study, while the second CD supports students' use of a study guide packet. These CDs help them to understand how to complete each portion of the ARI to evaluate a student's reading level and performance, and why each assessment of the ARI is important. New to this edition is an alignment of the ARI tests to standards.
