So you want to write a book? That's a great goal but how can you get started? What should you know beforehand?

Today only, get this Amazon bestseller for just \$2.99. Regularly priced at \$4.99. Read on your PC, Mac, smart phone, tablet or Kindle device.

This book will teach you how to complete your book, whether it's a novel, an anthology of fiction or poetry, or a memoir. This manual also contains tips on grammar and language, as well as valuable insights from publishers and other stakeholders in the industry. A lot of people dream of writing their books, but there are steps to be taken. While it is relatively easy, depending on the subject and your expertise, it is not impossible for you to pen and publish your own book.

The first chapter discusses the basics of writing. Where do you exactly start? What qualities should you possess if you want to write a book? All of these questions will be answered point by point, and will be integral in the second chapter, which is about writing fiction. Most of the books in stores and digital platforms today are novels and short story anthologies. As a beginner, how will you write a best-selling novel like Harry Potter or The Hunger Games?

Some of you might also be interested in writing nonfiction, and of course, make it sell. The third chapter will help you with what a bestselling nonfiction author does. The last chapter, on the other hand, will give you practical tips from publishers and literary agents themselves. These suggestions will guide you as you write and keep your readers in mind.

After downloading this book you will learn...

- Chapter 1 - So You Want to Write a Book?
- Chapter 2 - The Skinny on Writing a Book on Fiction
- Chapter 3 - The Nonfiction Book that Sells

- Chapter 4 - Friendly Advice from Publishers and Literary Agents
- And Much, much more!
