Inspired by The Pilgrim's Progress, this modern take features a young woman, Emily Watson, who only expected to enjoy another carefree summer day before college. She had no idea it would be the last day of her life... A freak accident leaves her trapped in a dream world where she encounters her guardian angel. He sends her on a quest to find the answers she needs to save her soul from eternal punishment at the hands of Justice, the dark creature that pursues her. Her quest takes her through wolf infested woods, over an active volcano, and forces her to relive the sins of her past. Can she find the answers she needs, or is it already too late?
