Play It As It Lays: A Novel (FSG Classics) Joan Didion

A ruthless dissection of American life in the late 1960s, *Play It as It Lays* captures the mood of an entire generation, the ennui of contemporary society reflected in spare prose that blisters and haunts the reader. Set in a place beyond good and evil-literally in Hollywood, Las Vegas, and the barren wastes of the Mojave Desert, but figuratively in the landscape of an arid soul-it remains more than three decades after its original publication a profoundly disturbing novel, riveting in its exploration of a woman and a society in crisis and stunning in the still-startling intensity of its prose.
