**The Palestine-Israel Conflict: A Basic Introduction, Third Edition** Gregory Harms, Todd M. Ferry

The Palestine-Israel conflict is the most notorious and ingrained conflict of the twentieth, and now twenty-first, century. Yet the way it is reported in the media is often confusing, leading many to assume the hostilities stretch back to an ancient period.

The Palestine-Israel Conflict Third Edition is the first book to provide a clear, accessible, and annotated introduction that covers the full history of the region. An indispensable, basic introduction, from Biblical times until today. Perfect for the general reader, as well as students, it offers a comprehensive yet lucid rendering of the conflict, setting it in its proper historical context. Harms and Ferry show how today's violence is very much a product of recent history, with its roots in the twentieth century.

This balanced account is now fully up to date, including the ongoing situation in Gaza, making it a valuable resource for anyone who wants a clear guide to the conflict between Israel and the Palestinian territories, and its place in the history of Middle Eastern affairs.
