Noted Bible teacher Lisa Harper leads women through the Song of Solomon in this modern take on the classic Bible Study. Using current day examples, humor and personal anecdotes, Lisa attempts to answer the question, "What does every girl want?" by showing readers the portrait of perfect love and intimacy that is beautifully embedded in the lines of the most seductive love poem found in the Old Testament. Features: Provides readers with a deeper, more expositional approach to understanding the Song of Solomon than traditional fill-in-the-blank Bible studies. Provides a wide variety of helpful "handholds" throughout the text (i.e. historical context, Biblical vocabulary guides, interesting facts about the time period, and explanations of Hebrew translations). "Fast Fact," "Did You Know?" and "More Info" sidebars provide additional information about the historical context of the verse in question as well as explanations for unfamiliar Biblical vocabulary words, and translations from the original Hebrew. Open-ended, in-text questions allow for deeper discussion/study, individually or with a group.
