Pleasure Eric Jerome Dickey

How realistic is it to believe that one lover can satisfy a woman's every fantasy?

Nia Simone Bijou is a woman who has it all?and is driven by the desire for more. Born in Trinidad, reared in Los Angeles, living in Atlanta, Nia is a writer, a thinker, and a woman in conflict. She's dealing with two sides of her Gemini self, feeling as if there are two women living inside her, both struggling for domination. One side of Nia is a logical yet heartbroken person who has never let go of an old pain, while the other side is a sensual woman who will not let her rest, desiring intimacy and sexual freedom, demanding Pleasure.

In the sweltering heat of July, loneliness, desire, and a struggle with both the sensual self and fantasy inspire Nia to become sexually adventurous, meeting lovers who arouse her in diverse ways, lovers who give her unimaginable experiences, generous lovers who desire to please her as much as she desires to satisfy them. Fantasies spiral out of control, and with her life on the line, Nia discovers that Pleasure does not come without pain.

Filled with passion, populated with characters that are sexually uninhibited, *Pleasure* is an unforgettable journey into a free-spirited world.

From reader reviews:

Charles Payne:

What do you about book? It is not important with you? Or just adding material when you need something to explain what yours problem? How about your extra time? Or are you busy individual? If you don't have spare time to do others business, it is make you feel bored faster. And you have spare time? What did you do? Everybody has many questions above. They need to answer that question because just their can do which. It said that about guide. Book is familiar on every person. Yes, it is appropriate. Because start from on kindergarten until university need this specific Pleasure to read.

Courtney Osteen:

As people who live in the actual modest era should be up-date about what going on or details even knowledge to make these individuals keep up with the era and that is always change and move ahead. Some of you maybe will update themselves by reading through books. It is a good choice for you but the problems coming to an individual is you don't know which you should start with. This Pleasure is our recommendation so you keep up with the world. Why, since this book serves what you want and need in this era.

Jon Fuselier:

A lot of people always spent their particular free time to vacation or go to the outside with them household or their friend. Were you aware? Many a lot of people spent they will free time just watching TV, as well as playing video games all day long. If you need to try to find a new activity here is look different you can read a book. It is really fun to suit your needs. If you enjoy the book that you just read you can spent all day long to reading a reserve. The book Pleasure it is extremely good to read. There are a lot of people who recommended this book. These folks were enjoying reading this book. In the event you did not have enough space to deliver this book you can buy typically the e-book. You can m0ore quickly to read this book from a smart phone. The price is not too expensive but this book provides high quality.

Helen Price:

As we know that book is vital thing to add our knowledge for everything. By a guide we can know everything you want. A book is a pair of written, printed, illustrated or even blank sheet. Every year was exactly added. This book Pleasure was filled about science. Spend your free time to add your knowledge about your scientific disciplines competence. Some people has diverse feel when they reading a new book. If you know how big benefit of a book, you can truly feel enjoy to read a guide. In the modern era like now, many ways to get book that you simply wanted.
