Through best-selling books and now blockbuster motion pictures, C. S. Lewis's masterpiece "The Chronicles of Narnia" has captured the hearts and imaginations of millions of children and adults. When Lewis wrote this acclaimed series more than half a century ago, many considered it a mere children's allegory and missed the rich spiritual meaning of the Christian faith that Lewis was clearly communicating.

In *The Soul of the Lion, the Witch and the Wardrobe*, Gene Veith revealed the mysteries and meanings of the first Narnia book. And now with the motion picture release of the second in the series, Veith returns to dig deeply into the biblical message behind this beloved story.

In *The Soul of Prince Caspian*, Veith reveals how Lewis takes on the modern mindset that has literally forgotten Christ—just as Narnia has forgotten Aslan. As Veith unlocks the story of Prince Caspian, you'll discover how Lewis's other writings add depth and clarity to his message. And you'll see that, while *Prince Caspian* may be about the fantastic land of Narnia, it's also about your world.
