**Classical Electromagnetic Radiation, Third Edition (Dover Books on Physics)** Mark A. Heald, Jerry B. Marion

This newly corrected, highly acclaimed text offers intermediate-level juniors and first-year graduate students of physics a rigorous treatment of classical electromagnetics. The authors present a very accessible macroscopic view of classical electromagnetics that emphasizes integrating electromagnetic theory with physical optics. The survey follows the historical development of physics, culminating in the use of four-vector relativity to fully integrate electricity with magnetism.

Starting with a brief review of static electricity and magnetism, the treatment advances to examinations of multipole fields, the equations of Laplace and Poisson, dynamic electromagnetism, electromagnetic waves, reflection and refraction, and waveguides. Subsequent chapters explore retarded potentials and fields and radiation by charged particles; antennas; classical electron theory; interference and coherence; scalar diffraction theory and the Fraunhofer limit; Fresnel diffraction and the transition to geometrical optics; and relativistic electrodynamics. A basic knowledge of vector calculus and Fourier analysis is assumed, and several helpful appendices supplement the text. An extensive Solutions Manual is also available.

**From reader reviews:**

**Dennis Scott:**

Do you among people who can't read pleasant if the sentence chained inside straightway, hold on guys this kind of aren't like that. This Classical Electromagnetic Radiation, Third Edition (Dover Books on Physics) book is readable simply by you who hate the perfect word style. You will find the details here are arrange for enjoyable looking at experience without leaving perhaps decrease the knowledge that want to offer to you. The writer of Classical Electromagnetic Radiation, Third Edition (Dover Books on Physics) content conveys thinking easily to understand by many people. The printed and e-book are not different in the content material but it just different available as it. So , do you nevertheless thinking Classical Electromagnetic Radiation, Third Edition (Dover Books on Physics) is not loveable to be your top collection reading book?

**Rosalie Castillo:**

This Classical Electromagnetic Radiation, Third Edition (Dover Books on Physics) is great publication for you because the content which is full of information for you who also always deal with world and still have to make decision every minute. This specific book reveal it facts accurately using great plan word or we can claim no rambling sentences within it. So if you are read the idea hurriedly you can have whole facts in it. Doesn't mean it only offers you straight forward sentences but difficult core information with attractive delivering sentences. Having Classical Electromagnetic Radiation, Third Edition (Dover Books on Physics) in your hand like obtaining the world in your arm, info in it is not ridiculous just one. We can say that no publication that offer you world in ten or fifteen tiny right but this e-book already do that. So , this is certainly good reading book. Hi Mr. and Mrs. busy do you still doubt which?

**Raymond Dixon:**

Reading a book to get new life style in this season; every people loves to go through a book. When you learn a book you can get a lot of benefit. When you read publications, you can improve your knowledge, simply because book has a lot of information onto it. The information that you will get depend on what kinds of book that you have read. If you need to get information about your examine, you can read education books, but if you act like you want to entertain yourself look for a fiction books, these us novel, comics, and soon. The Classical Electromagnetic Radiation, Third Edition (Dover Books on Physics) provide you with new experience in studying a book.

**Bethany Zuniga:**

As we know that book is important thing to add our know-how for everything. By a e-book we can know everything we really wish for. A book is a pair of written, printed, illustrated as well as blank sheet. Every year had been exactly added. This publication Classical Electromagnetic Radiation, Third Edition (Dover Books on Physics) was filled concerning science. Spend your extra time to add your knowledge about your technology competence. Some people has distinct feel when they reading a new book. If you know how big

good thing about a book, you can experience enjoy to read a publication. In the modern era like right now, many ways to get book which you wanted.
