From the dust jacket: "Valued by scholar and layman alike, these important writings of the famous historian, student of law, and military commander of antiquity, chronicle the fascinating first century A.D. The ancient past springs to life, becoming a thrilling narrative, when seen through the eyes of Josephus. His able pen paints the unforgettable times of Christ, making them real and meaningful. This edition is the standard English translation and includes the Antiquity and Wars of the Jews, The Life of Josephus, and Dissertations on Christ, John the Baptist and others; also the only non-Biblical contemporary reference to Jesus in all of ancient literature.
