## **Romeo and Juliet** William Shakespeare

We start off with a little action: a duel between the servants of two enemy families of Verona: the Montagues and the Capulets. Exciting! After the swords are sheathed, Verona's Prince shows up to say that the next person who fights is going to get killed, and he means it this time. Things take a turn when Romeo meets Juliet. They fall instantly in love, obviously, but then—gasp!—find out they're from rival families. It's all very dire, but, being two crazy kids in love, they have a secret meeting and decide to get married. Vegas road trip, woooooooo!
